

## MEET THE MAKERS

Brand Concept

MEEET THE MAKERS is where DECO BOKO helps to connect the Japanese manufacturers and US buyers. We will make arrangements for online sessions that includes communication assistance.

Request a "DECO BOKO Digital Magazine" from **GET IN TOUCH** to find brands you would like to meet.

The "DECO BOKO Digital Magazine" offers detailed information about the exhibiters.

DECO BOKO will fill the gaps and distances between Japan and the US for successful business relationships!
